Dear Trustee

### **PTD Form 2A - Income and Expenditure**

The purpose of this letter is to highlight that Accountant in Bankruptcy (AiB) has uploaded a new Form 2A template to our website.

The new Form 2 A has additional fields to capture details of the number people in the household, dependants and vehicles. The inclusion of these details will provide a more accurate picture of the debtor's circumstances prior to AiB making a decision on whether to protect the trust deed.

For the avoidance of doubt, the statutory form is not amended by doing this. It remains as it is in The Protected Trust Deeds (Scotland) Regulations 2013. Amendment to Form 2A can only be done through a statutory amendment to the current Regulations. It is our aim to amend the current Form 2A by the end of 2016.

In the meantime, between now and the introduction of the new amended Form 2A, both forms will be accepted.

Yours sincerely

Fiona Coyle
